Live with passion. Unleash your inner beast.

#### Our Tasting

**Visual:** Clean wine of medium layer of violet red color with cherry iridescence.

**Olfactory:** Intense red fruits mixed with fresh licorice-like notes, occupy the central aroma of this wine. That, after seconds of stirring, develops sweet aromas of vanilla, coffee with milk and hints of toffee-type caramel.

**Gustatory:** Smooth, dense and sweet entry. The aromas that stood out on the nose in aeration, are reinforced in the mouth, caramel of coffee with milk, reminiscent of the passage of American barrels of this wine. Medium aftertaste with a fresh sensation, which helps to renew the palate.
