

# CARABAL

VIÑEDOS Y BODEGA

## Carabal Cávea 2014

A structured and elegant wine.

Attractive cherry red color of high depth. Complex when firstly approached in the nose, it shows a wise combination of black fruit, roasted aromas and mineral background. Meaty and well balanced in the mouth. It has the seal the winery and its wines: terroir, hills, and a good aging in oak. The tannins predict a long and positive storage in bottle.

### Our Tasting

**Visual :** Clean cherry red color with perfect rim.

**Olfatory :** High intensity aromas, with clear notes of ripe fruit, black plum and light roasted wood. The memories of dried rosemary, eucalyptus and low mount appear.

**Gustatory :** Fresh and pleasant mouthfeel. In the center a harmonic set of fruit and wood. Fine and elegant step. It ends on the rise, with memories of cocoa and dark chocolate.
