Avarizza Opulento (Avarice)

Going further, feeling on the other side of the limit ...
The beginning of all sins.

Our Tasting

High intensity purple color with ruby reflections. From persistent tears. It is clear and bright.

On the nose it presents a complex aromatic and mineral attack. The fruitiness of the Malbec stands out in combination with the spice provided by the Cabernet Franc. With notes of ripe plums, coffee, pepper and mint. In the mouth it has a sweet entry, good body and a persistent retro taste. Good structure contributed by Petit Verdot and astringent finish. Malbec wraps these two strains with elegance and balance.

Round and sweet tannins.
