

Anecoop Bodegas

Viña Tendida VIDA White Moscato

Short fermentation in cuve close: natural sweetness from the must and natural bubbles from the fermentation process. We repeat the process of fermentation of fresh must for each batch of bottled product all year long: very consistent and fresh quality.

Our Tasting

Visual : Light yellow, clean and bright with thin and persistent bubbles.

Olfactory : Very fruit aromas.

Gustatory : Intense with balanced acidity and sweetness. Crispy and fresh with elegant sparkling touch. Nice grapey taste.

Pairing : Serve 5°C - 7°C. Appetizers and desserts. Nice pairing with pizzas and salads, cheese.
