SOLAR DE BECQUER **RESERVA**

Located on the south of Monte Yerga on the sun faced side of the slopes, the Cuesta de la Reina Estate commences at an altitude of 450 meters and ascends to 800 meters. The soils, clayey-calcareous, are very poor and with abundance of boulders.

The estate of 120 Hectares has belonged to the family for four generations and the family itself has always cultivated the vineyard. The approximate average age of the vines is 55 years.

Following a meticulous monitoring of the vineyard, the grapes are harvested at optimum maturity. The harvest is done manually by selecting healthy and ripe grapes and rejecting the bad and deteriorated. Once in the winery, the grapes are selected again on a conveyor belt.
