

LOVEMARK

ADVANCED TRADING

Have you ever dreamed of being able to purchase
from your wineries directly in the U. S.?

Without risking your cash flow with expensive DI's
or working with middle men whose margins kill the
product competitiveness...

Have you ever dreamed of your wineries having a
U. S. based marketing team to promote and
support their products?

Welcome to Lovemark Advanced Trading

FAMILIA FALASCO

DESDE 1939

NAMPE Malbec

Our family has its roots in the wine industry, with more than 80 years of experience.

Our grapes come from different soils, climates and regions of Mendoza. They all grow in cold winters and dry, hot summers with cool nights, in rich soils irrigated by meltwater from the Andes mountains.

All this makes it possible to obtain excellent quality, both in young and aged wines.

Our Tasting

Visual: Intense, shiny purplish red.

Olfactory: Intense and complex aroma of berries, especially plum, cherry, and raisin.

Gustatory: Sweet tannins, very well-balanced. Interesting berries where plum stands out.

Pairing: An ideal companion to grilled meat, pasta, risotto and cheese.

Temperatures: Serving temperature: 16° - 18° C.

Our family has its roots in the wine industry, with more than 80 years of experience.

Our grapes come from different soils, climates and regions of Mendoza. They all grow in cold winters and dry, hot summers with cool nights, in rich soils irrigated by meltwater from the andes mountains.

All this makes it possible to obtain excellent quality, both in young and aged wines.

Our Tasting

Visual: Elegant varietal of intense ruby color.

Olfactory: Complex aroma of ripe red berries and hints of pepper, smoke, vanilla and tobacco.

Gustatory: Unctuous, harmonic, good structure in the mouth with ripe and sweet tannins and an unforgettable finish.

Pairing: An ideal companion to grilled meat, pasta, risotto and cheese.

Temperatures: Serving temperature: 16° - 18° C.

Los Haroldos Estate Blend

Our family has its roots in the wine industry, with more than 80 years of experience.

Our grapes come from different soils, climates and regions of Mendoza; among cold winters and dry, hot summers with cool nights. These conditions and the rich soils irrigated by meltwater from the Andes mountains make it possible to obtain excellent quality, both in young and aged wines.

Our Tasting

Visual and Olfactory: This Blend is the result of the blending three grapes Varietals, oak aged enhancing the virtues of each grape, obtaining a wine of deep purplish black color and the nose where red fruits and spicy notes are perceived .

Gustatory : The palate is presented with structure and volume, accompanied by sweet and gentle tannins showing an elegant finish.

Pairing: Red meat, poultry, pasta and semi-soft cheese.

Temperature: Serving temperature: 16-18°C.

LOS HAROLDOS
BODEGA & VIÑEDOS

FAMILIA FALASCO

DESDE 1939

Los Haroldos Reserva Malbec

We are a family that is deeply rooted in the winemaking industry with over 70 years' experience.

The use of grapes from vines grown on different soil, climates and regions in Mendoza, where winters are chilly, summers are dry and warm, nights are cool, soil is rich and melt water from the Andes is used for irrigating them, allows us to obtain a high quality product both in young wines and wines with aging potential.

Our Tasting

Visual: Deep red with very intense violet shades; clean and shiny.

Olfactory: Complex aroma of berry; cherry, plum and raspberry flavor stand out as they combine with wood notes, specially chocolate and vanilla.

Gustatory: Unctuous with ripe tannins; very well-balanced, good astringency and acidity.

Pairing: It is an ideal companion for red meat, game and hard paste cheese.

Temperature: Serving temperature: 16° - 18° C.

LOS HAROLDOS

BODEGA & VIÑEDOS

FAMILIA FALASCO

DESDE 1939

Los Haroldos Reserva Cabernet Sauvignon

We are a family that is deeply rooted in the winemaking industry with over 80 years experience.

The vineyards where we obtain our wine are located at the foothills of the Andes, where sunlight is intense, soils are heterogenous and climate is cool.

This allows us to obtain a high quality product both in young wines and wines with aging potential.

Our Tasting

Visual: Intense ruby red, clear and shiny.

Olfactory: Intense, complex, spicy with delicate touches of vanilla, smoke, tobacco and coffee contributed by oak.

Gustatory: Good structure with soft tannins and a good astringency.

Pairing: It is an ideal companion for red meat, and hard cheese.

Temperature: Serving temperature: 16° - 18° C.

LOS HAROLDOS
 BODEGA & VIÑEDOS

FAMILIA FALASCO

DESDE 1939

Los Haroldos Gran Corte Varietals

LOS HAROLDOS GRAN CORTE, was born from the combination of different grapes that come from different regions. The diversity of soils, altitudes and climates is reflected in the quality of the grapes and the characteristics that each of them brings to the Gran Corte (Great Blend).

Cabernet Sauvignon and Merlot are the heart of this great blend, providing a strong spicy and elegant character. In turn, Malbec, Bonarda and Syrah provide sweetness, volume in the mouth, and softness. Finally the Petit Verdot, and the Tannat, provide structure and robustness.

Our Tasting

Visual: The result is an exceptional GRAND CORTE, which shows intense ruby red color.

Olfactory: Its aromas of great complexity and elegance, where there are notes of sweet spices, black pepper, dried figs and dried fruits, interwoven with notes of vanilla and cedar provided by the oak.

Gustatory: On the palate, it has a sweet impact at the beginning, and refreshed by a pleasant and balanced acidity, with firm and robust tannins that give it a long and very persistent finish.

Pairing: Recommended to accompany grilled red meats, lamb, game meats, stews, or strong cheeses.

Hermanidad Blend

Hermanidad Blend 2016, is the result of the harmonious combination of different varietals. As instruments of an orchestra, each varietal contributes to this Blend notes, aromas and flavors characteristic of the terroir from which they come.

The Malbec brings the sweet notes and the volume of the mouth, giving aromas of blackberries, plum, cassis and sweet velvety tannins. The Cabernet Sauvignon brings notes of red fruits and sweet spices, with robust tannins and good acidity.

The Merlot brings elegance, notes of wild berries and herbal. It balances and softens the incidence of Malbec and Cabernet Sauvignon. Petit Verdot brings softness and grease in the mouth, with hints of blackberries and blueberries.

Our Tasting

Visual: Exceptional Blend, with intense ruby red color with violet hints.

Olfactory: Its aromas are extremely complex and elegant, with notes of ripe black fruits, sweet spices, tobacco and mocha, mixed with fresh floral notes.

Gustatory: Intense and deep to the palate, presenting notes of blackberries with a sweet firm tannic finish.

Estancia La Calma Malbec

The signature of our Malbec in Lujan de Cuyo, Finca "La Augusta" is highlighted in the violet aromatics and red fruit flavors of Malbec.

The 2017 shows heightened aromatics of this cooler vintage and an elegant tannin structure derived from 18 months maturation in French.

The parcel with which Montevia Gran Reserve is made has a vineyard dating back to 1920, which is harvested by hand with extreme care to obtain the highest quality wines from the winery.

Our Tasting

Elegant and balanced red wine very fresh and drinkable. Intense and bright red color.

Aromas of ripe plum, some mint and a mineral touch with the delicate contribution of oak.

On the palate it is pure elegance with well balanced tannins and good acidity.

Montevia Oak Selection Malbec

There weren't rains, the day temperatures were warm and the nights were cool. In all my years as a winemaker I don't remember a harvest with such excellent characteristics, both for reds and whites.

The red wines this year are really balanced in terms of acidity, they have an elevated malic acidity and a spectacular tartaric balance with respect to the alcohol.

Our Tasting

Aromatic red with cherries and spice with hints of flowers. Medium body. Firm and fresh at the end with some solid structure. Tightly wrapped flavors of crushed dark plump, dried raspberry and cherry are supported by tannins

Montevia Oak Selection Cabernet

'This harvest has been very traditional,' said the President of Bodegas de Argentina. '

There weren't rains, the day temperatures were warm and the nights were cool. In all my years as a winemaker I don't remember a harvest with such excellent characteristics, both for reds and whites.'

Our Tasting

A soft style, with lush flavors of cherry, currant and damson plum, filled with violet notes.

Silky tannins show on the vibrant finish, revealing plenty of cream and spice accents.

Green herbs on the midpalate and white pepper notes emerge on the finish.

Montevia Suelos Reserva Malbec

The signature of our Malbec in Lujan de Cuyo, Finca "La Augusta" is highlighted in the violet aromatics and red fruit flavors of Malbec.

The 2017 shows heightened aromatics of this cooler vintage and an elegant tannin structure derived from 12 months maturation in French.

Our Tasting

A lively red wine with very elegant aromas of plums and blackberries. Soft, with flavors of cedars, dried cherry and red currant that are fresh.

Lovely acidity keeps this balance. The rich finish is filled with hints of a spice and cream.

Montevia Gran Reserva Malbec

The signature of our Malbec in Lujan de Cuyo, Finca "La Augusta" is highlighted in the violet aromatics and red fruit flavors of Malbec.

The 2017 shows heightened aromatics of this cooler vintage and an elegant tannin structure derived from 18 months maturation in French.

The parcel with which Montevia Gran Reserve is made has a vineyard dating back to 1920, which is harvested by hand with extreme care to obtain the highest quality wines from the winery.

Our Tasting

Notes of elegant black fruit, black pepper, graphite and minerality, hint of toasted oak. Juicy and meaty on the palate with well-integrated, polished tannins. Full-bodied and refined with a long, velvety finish. Definitely a great malbec of Argentina.

Lamuchi Malbec

A well built wine , that invites you to discover the benefits of sunny areas and excellent maturation of Malbec.

Our Tasting

VISUAL: Intense purplish red color, clean and bright

OLFATORY: Clean nose that abounds in notes of ripe red fruit such as plums , figs and cherries with pleasant notes of quinces, a touch of spice and something smoky

GUSTATORY: On the palate it is juicy , broad and Dynamic with firm acidity and round tannins even in youth , of great varietal and regional typicality , showing good character from the East of Mendoza in its Flow of fruit and pleasant drinking textures

PAIRING: Ideal to pair with semi hard cheeses of good intensity , nuts and grilled red meats

Lamuchi Bienteveo Torrontés

It is a young and fresh wine that has excellent typical varietal and terroir characteristics, both on the nose and on the palate.

Our Tasting

VISUAL: : Young, limpid and pale yellow in color with greenish reflections

OLFATORY: Intense and expressive aromas of white flowers that make it very typical of the area and attractive to the nose. Notes of jasmine, chamomile, Lime and very interesting hints of fresh herbs appear.

GUSTATORY: The aromas move to the mouth with fluidity, very pleasant acidity that gives it volume and breadth towards a pleasantly bitter finish that distinguishes it as Torrontés.

PAIRING: Invites to pair it with meat, warm salads with soft cheeses and roasted vegetables.

Lamuchi Extra Brut Rosé

A refreshing and Young sparkling. Expressive and satisfying when drinking it. Its main characteristics show an adaptable wine at all times and circumstances.

Our Tasting

VISUAL: Its color and reflection of "onion skin" highlight the fineness of its bubbles, consistency and liveliness. Bright and with excellent clarity.

OLFATORY: Clear and good expression. Aromatic, subtle and elegant. At the first olfaction there is an interesting perception of fresh red fruits, with notes of cherries and quinces appearing, accompanied by floral touches. Simple to understand.

GUSTATORY: Friendly and pleasant to drink. The texture of its bubbles, the freshness and fine acidity, manage to generate a delicious sensation throughout the mouth. The finish is smooth, fruity and refreshing, leaving the palate ready to continue drinking.

PAIRING: Meetings and meals makes almost endless the list of moments we can enjoy with this Extra Brut. Appetizer, hot sunsets, entrees like salads, seafood, fish and white meats, are just some of the options. Its also perfect to accompany deserts and long after meals.

MI ESTANCIA

Mi Estancia Reserva

Careful selection of grapes in the vineyard during its harvest by hand. Once in the winery, a delicate destemming is carried out and cooled before its vatting.

It is fermented for approximately 12 days, with the addition of selected yeasts and controlled temperatures of 25°C. Then it rests in masonry jars for 2 months and is put in American and French barrels for a further 13 months. It is packaged and matures in the bottle for 5 months before being sold.

Our Tasting

This interesting union of Malbec with Cabernet Franc gives us a wine that shows itself with intensive reds and deep tones. Its aroma intertwines spicy perfumes with memories of jammed red fruits.

Highlighting its rest in oak barrels for 13 months. Its passage in the mouth leaves sensations of full body and good structure. Showing the presence of pleasant tannins and leaving a pleasant and persistent memory.

Being a natural product and treated with delicacy in its stabilization, it can sometimes have small precipitates in the bottle.

Ideal to accompany meals with wild meats and meats rich in fat content such as beef and lamb.

Chilano Cabernet Sauvignon

The grapes were harvested between 7 and 28 April, when their organoleptic qualities, aromas and tannins were at their best. The clusters were harvest to transported to the winery and selected them.

There they underwent a pre-fermentative low-temperature maceration to bring out the maximum colour and aromas. Then the must was fermented in stainless steel tanks at a controlled temperature (26-28°C).

Our Tasting

Visual : This wine is deep, intense violet in colour with ruby tones at the rim.

Olfatory : Intense and attractive on the nose, packed with red fruit, raspberries, strawberries, blueberries and blackcurrants.

Gustatory : This wine has good body and balanced acidity, with ripe tannins and a good balance between fruit.

Pairing : Best served at between 16°C and 18°C. This wine pairs well with ripe cheese, grilled meat, flavoured pastas or soup.

The grapes were harvested between 2 and 17 March, when the grapes had reached the peak of their aromatic potential. The clusters were harvested in the cool temperatures of night to obtain the best possible quality.

The must was protected from contact with the air throughout the process, which began with a cold maceration for 6 to 12 hours to increase contact between the juice and skins of the grapes and boost the aromatic potential. Next came a slow fermentation at temperatures ranging from 13°C to 15°C, drawing out the variety's typical fruit and mineral aromas.

After fermentation, the wine was aged over its lees for one month, and battonage was used to gently move it so as to maximize the contribution of the wine coming into contact with the fine sediment.

Our Tasting

Visual : Pale green with crystalline aspect.

Olfactory : Expressive, fresh and mineral wine, in which citrus and tropical fruit aromas such as lime, pineapple and pear intermingle with gentle herbal notes.

Gustatory : Medium bodied and vibrant acidity, this wine retains the characteristic freshness of Sauvignon Blanc, with citrus and tropical fruit apparent in the mouth.

Pairing : Best served at between 8°C and 10°C. This wine pairs well with mature cheese, red meat, pork, lamb and fatty and well-seasoned dishes.

TSERETELI

WINE & SPIRITS

AKHASHENI

Made from specially selected, absolutely healthy and optimal ripeness of Saperavi grapes grown in the Akhasheni micro zone of the Gurjaani region.

The wine is made according to the classical technology, in strict observance of the temperature regime of alcoholic fermentation (fermentation temperature + 25 ° C).

When the wine reaches the optimal alcohol and residual sugar content, alcoholic fermentation is artificially stopped by sharp cooling of the boiling mass. Further, the wine is stored with residual sugar in stainless steel containers at a low temperature (-3 ° C), which also increases the physical and chemical stability of the wine. Microbiological stability of wine is achieved by sterile filtration.

Our Tasting

It is characterized by the usual strong Saperavi aroma with notes of plum and cherry. Indispensable as an aperitif, also served with dessert.

WINE & SPIRITS

KISI QVEVRI

Made from Kisi grapes grown in the micro zone of Kindzmarauli, Kvareli region on the left bank of the Alazani River in Eastern Georgia, in Kakheti.

The wine is made using classic Georgian technology. Alcoholic fermentation and aging of chacha take place in jugs until next spring after harvest. Since the crests are not used, the wine differs in aroma and taste, but at the same time contains the optimal amount of phenolic compounds, does not differ in excessive bitterness and juiciness.

During alcoholic fermentation, chacha is mixed with qvevri 6-7 times a day, achieving complete extraction of aromatic and other substances from chacha, therefore, the wine has rich aromatic and taste characteristics.

Wine contains especially many beneficial substances for health; this indicator is often surpassed even by red wine made using classical technology.

After qvevri, the wine continues to mature in oak barrels for 6 months. The temperature regime is strictly controlled both in qvevri and in barrels.

Our Tasting

Wine color - amber, aroma - strong, ripe fruit, varietal. The taste is full, velvety. Recommended to be served with red fish and meat, as well as matured cheeses.

WINE & SPIRITS

MUKUZANI

Made from Saperavi grapes grown in the Mukuzani microzone, Gurjaani region of Eastern Georgia, Kakheti, on the right bank of the Alazani River.

The wine is made according to the classical technology, in strict observance of the temperature regime of alcoholic fermentation (fermentation temperature + 26 ° C).

After completion of alcoholic fermentation, the wine is stored in a metal container for 3 months, then in an oak barrel until August. In the process of aging in barrels, the characteristics of the wine are refined. As a result of strictly controlled micro-oxygenation, the wine acquires an optimal combination of taste characteristics characteristic of Saperavi grown in the Mukuzani microzone, with aroma and taste characteristics transferred from oak to wine.

Our Tasting

The wine is distinguished by a dark pomegranate color, developed aroma and taste, where the tones of cherry and black currant are harmoniously combined with a light vanilla aroma.

Recommended to be served with meat dishes, especially with lamb.

WINE & SPIRITS

SAPERAVI QVEVRI

Made from Saperavi grapes grown in Eastern Georgia, Kakheti, in the Duruji river basin. The vineyard is 65 years old. Harvesting takes place in late autumn. For the production of wine only selected, special quality grapes are used.

The wine is made according to the classic Kakhetian technology, under conditions of alcoholic fermentation and subsequent aging on chacha, under strict temperature control (fermentation temperature + 26 ° C) in qvevri. The use of qvevri ensures the formation of special organoleptic characteristics characteristic of wine. Wine is especially rich in nutrients, which is associated with long-term contact of wine with chacha.

After the completion of alcoholic fermentation, the wine remains in qvevri on the chacha until the spring of next year, then it is stored in oak barrels for the next 12 months. Using oak barrels, a wine with naturally stable unique taste characteristics is obtained.

Our Tasting

The wine is distinguished by dark pomegranate color, developed varietal aroma and velvety taste, where the tone of black currant is harmoniously combined with the sharp aroma of cloves, vanilla and the taste of oak barrels.

Recommended to be served with meat dishes and with aged cheeses.

TSERETELI

WINE & SPIRITS

SAPERAVI

Produced in Eastern Georgia, in the Kvareli region, in the Duruji river basin, using specially selected absolutely healthy and optimally ripe Saperavi grapes.

The wine is made according to the classical technology, in strict observance of the temperature regime of alcoholic fermentation (fermentation temperature + 25 ° C). After fermentation of alcoholic and malic acid, the wine is kept for several months in stainless steel containers, and then in oak barrels.

The wine is filtered in an economical mode, which ensures maximum preservation of the organoleptic characteristics of the wine.

Our Tasting

The wine has an intense pomegranate color, developed varietal aroma, which is dominated by tones of cherry and black plum, harmoniously combined with the aroma of oak. Recommended to be served with different types of meat dishes and cheese.

TSERETELI

WINE & SPIRITS

RKATSITELI

Made from grapes of optimal ripeness of the Rkatsiteli variety grown in the Kindzmarauli microzone, on the left bank of the Alazani River in Eastern Georgia, in Kakheti, Kvareli region.

The wine is made according to the classical technology, in strict observance of the temperature regime of alcoholic fermentation (fermentation temperature + 16 ° C). Gravity wort is used to make wine.

A short cold maceration on the pulp is used before alcoholic fermentation.

After the completion of alcoholic fermentation, the wine is stored in a metal container for 3 months, then 12 months in an oak barrel.

Our Tasting

The wine has a yellowish-straw color, harmonious taste, with aromas of ripe quince and apricot. Recommended to be served with white meat, seafood dishes, as well as matured cheeses.

After the completion of alcoholic fermentation, the wine is stored in a metal container for 3 months, then 12 months in an oak barrel.

THE BLACK BELLOW

The Black Bellow Collector's Edition

And you finally reach that destination: the road is over.

The time has come to decide.

You look at the horizon, you are afraid. But you know you have nothing to lose, and the only moments in which it was worth living come back to your mind.

Live with passion. Unleash your inner beast.

Our Tasting

Visual : Clean wine of medium layer of violet red color with cherry iridescence.

Olfactory : Intense red fruits mixed with fresh licorice-like notes, occupy the central aroma of this wine. That, after seconds of stirring, develops sweet aromas of vanilla, coffee with milk and hints of toffee-type caramel.

Gustatory : Smooth, dense and sweet entry. The aromas that stood out on the nose in aeration, are reinforced in the mouth, caramel of coffee with milk, reminiscent of the passage of American barrels of this wine.
Medium aftertaste with a fresh sensation, which helps to renew the palate.

Dominio de Unx White Sur Lie

Our white Grenache project began 10 years ago, recovering the plant material from old vines and using it to plant our white Grenache on well ventilated hillside soils at an altitude of 650 m (brushland). The must is fermented at a controlled temperature. Once fermentation has finished, the fine lees are worked on to extract all of the variety's positive attributes.

Our Tasting

Visual : Brilliant, clean, straw-yellow colour, with metallic hints.

Olfactory : Subtle aromas, with dominant floral and white fruit hints and a mineral finish. Subtle menthol, citrus and aniseed notes.

Gustatory : Unctuous, creamy and full-bodied on the palate, with a lingering finish. Very pleasant aftertaste with apricot, peach and fresh citrus hints. Good balance between fruit and acidity. Very pleasant aftertaste.

Pairing : Perfect with cold meats, salads, stir-fried vegetables, Mediterranean dishes (rice, pasta and fish), Asian food and white meat.

Dominio de Unx Rosé de Saignée

Since 1914, the winegrowers of San Martín de Unx have carefully cultivated the Grenache variety in a unique mountain setting, respecting the environment to the utmost and producing wines with their own unique identity. In these areas covered by scrub ecosystems of brushland vegetation (thyme, rosemary, juniper and Kermes oak), the Grenache grapes come into their own and develop their unique characteristics.

Dominio de Unx Rosé de saignée is the result of a project to make light-coloured rosé wines using the traditional Navarrese "saignée" or bleeding method. We have worked with two varieties of Grenache grapes, which are macerated before fermentation, to reflect the special character of our terroir in a different kind of wine.

Our Tasting

Visual : Bright pale colour, with light purple hints.

Olfactory : Intense yet subtle and delicate aroma, with strong hints of red fruits (strawberries and raspberries) combined with the aroma of white flowers. Finish characterized by elegant aniseed notes.

Gustatory : Sweet, unctuous and well-balanced on the palate with hints of fresh red fruits and a spicy finish. Smooth with perfectly balanced acidity. Long and very pleasant aftertaste.

Pairing : It is perfect with cold meats, salads, stir-fried vegetables, Mediterranean-style food (rice, pasta and fish) and Asian food.

VIÑEDOS Y BODEGA

Carabal Rasgo 2015

Red wine aged for 6 months in French Oak barrels

Its label represents the features of the land and natural beauty of Extremadura. With its vivid and intense red and purple colors, the primary aromas of red fruit stand out on light memories of clean woods that it obtains after its brief passage through the barrel.

Our Tasting

Visual : Attractive cherry red color with violet tones

Olfactory : On the nose there is a perfect combination of its primary aromas, red plum, scrub and blackberries, with aging, dry wood and cocoa.

Gustatory : The red fruit stands out in the mouth, not lacking in complexity. Rich, tasty and fresh. Good taste today and with positive evolution.

Carabal Cávea 2014

A structured and elegant wine.

Attractive cherry red color of high depth. Complex when firstly approached in the nose, it shows a wise combination of black fruit, roasted aromas and mineral background. Meaty and well balanced in the mouth. It has the seal the winery and its wines: terroir, hills, and a good aging in oak. The tannins predict a long and positive storage in bottle.

Our Tasting

Visual : Clean cherry red color with perfect rim.

Olfactory : High intensity aromas, with clear notes of ripe fruit, black plum and light roasted wood. The memories of dried rosemary, eucalyptus and low mount appear.

Gustatory : Fresh and pleasant mouthfeel. In the center a harmonic set of fruit and wood. Fine and elegant step. It ends on the rise, with memories of cocoa and dark chocolate.

CARABAL

VIÑEDOS Y BODEGA

Carabal Gulae 2014

A complex and sophisticated wine. Red color very bright covered. From the first moment Gulae attracts by its aroma, a part of mountain (dry rosemary, thyme) an earth part (minerality) and a part of bouquet (pharmacopoeia). Surprising again in the mouth, round, with personality. Lots of red fruit (marmalade) followed by a high quality wood that accompanies the wine without seizing it. Long-lasting ending that will be eternal after aging in bottle.

Our Tasting

Visual : Beautiful cherry red color and very high rim

Olfactory : Complex and intense aroma that unfolds in layers. First specifically, cinnamon, clean wood, cocoa, tobacco, ginger, and in the end bounces the fruit, small, black.

Gustatory : Immense in the mouth, tasty, structured, with energy. More fruity than nose, well armed. A great wine, which will be bigger with its passage in the bottle

FAMILIA
ESCUDERO

LOGOS CHARDONNAY

The grapes come from the family owned vineyards located at the slopes of Monte Yerga at an altitude of 700 meters above sea level.

The grapes were harvested in very healthy condition and with a perfect quality of aromas. The elaboration method of this wine proceeds from an investigation in which a new experimentation method is used to obtain a white wine with much more longevity than usual.

30% of the wine is fermented in American oak barrels. This way, the white wine will have a positive evolution inside the bottle and its life will be much longer.

Our Tasting

Visual : Clean and bright, pale yellow with greenish tones.

Olfactory : The aroma is intense with a frutal and soft aroma of cask that makes it very nice.

Gustatory : On the palate it is rich in nuances with an adequate acidity and balance.

Pairing : Appetizers, grilled fish, rice, pasta and oriental food.

ESCUDERO

LOGOS ROSADO

The vineyards are located on the banks of Navarra, in the foothills of the Iberian mountain range, under the influence of Moncayo mountain.

It is a free run wine, according to the traditional method of Navarra. The wine has stayed 18 hours in maceration with the peels, to a low temperature of 11°C, and soon 40% of must was extracted and left to rest for 24 hours in order to clean it by precipitation.

The fermentation was done in new American oak barrels where the wine remained for 4 months of further aging.

Our Tasting

Visual : Light strawberry with copper tones proceeding from the barrique.

Olfactory : Mature red fruits aromas, creamy spicy touch and with vanilla bottom.

Gustatory : Ample in mouth, filling it of fruit flavors of the variety, With a slight touch of good oak. Excellent balance between alcohol and acidity.

Pairing : Vegetables, rice and grills.

LOGOS I

The vineyards are located on the banks of Navarra, in the foothills of the Iberian mountain range, under the influence of the Moncayo mountain. The grapes come from vineyards with an average age of 60 years.

After maceration, the wine is transferred to new French oak barrels (70%) and new American (30%) and remained there for 16 months. During the aging process, the barrels were racked 4 times. After bottling the wine spent 12 months in the bottle cellar before being commercialized.

Our Tasting

Visual : Deep cherry color with purple trimmings.

Olfactory : On the nose, notes of wild berries and funds of roasted oak. We also perceive aromas of black fruit (plums) at its best point of ripeness, floral notes.

Gustatory : The palate is round with a fruited load and fresh acidity. Tasty and persistent finish.

Pairing : Will accompany perfectly semi aged sheep cheese, roasted red meat and game.

ARVUM

Things as always. The most traditional way of elaborating wines in Rioja. The love of our parents, Antonia and Benito Escudero who guided us to the cultivation of the centenary vineyards from which the grapes are used for the elaboration of Arvum.

It is the sincerest tribute that we, their sons and daughters, want to convey in the clearest correspondence, the dedication and the tenderness with which is held together around a big dream. Some things never change over time.

The oldest vineyards between 80 and 120 years are located on the Cuesta de la Reina estate, property of the family for over 4 generations, located on the south side of Mount Yerga.

Our Tasting

Visual : Very covered cherry red.

Olfactory : Fine and elegant aromas of creamy toasts and ripe fruit. Showing a great expression and complexity.

Gustatory : Potent on the palate, meaty and round, rich in nuances. Complex and elegant retronasal.

Pairing : Goes perfectly with cured cheeses, beef, roasts, big and small game, partridge, wild boar and deer. Goes even well with sauced or spicy meat.

ESCUDERO

VIDAU

With the word "Vidau", our ancestors referred to those vineyards with which were planted with different varieties.

One word, a concept that Bodegas Escudero brings up to date from the past and projects into the future.

From the best selection of mature grapes from these old vines, a grateful and sincere wine arises, extraordinarily complex and very natural. A wine that sinks into the roots of tradition and evokes memories of the time all that remains.

Our Tasting

Visual : Well covered cherry red.

Olfactory : Intense aromas with hints of ripe fruit, spices, balsamic and well assembled oak.

Gustatory : Meaty and flavorful on the palate, well balanced and tannic. Nuanced long finish dominated by ripe fruit and aging notes.

Pairing : The wine will accompany perfectly with cheese, beef, roasts, big and small game, rabbit, partridge, wild boar, roe deer and even meats in spicy sauce.

SOLAR DE BECQUER **CRianza**

Located on the south of Monte Yerga on the sun faced side of the slopes, the Cuesta de la Reina Estate commences at an altitude of 450 meters and ascends to 800 meters. The soils, clayey-calcareous, are very poor and with abundance of boulders.

The estate of 120 Hectares has belonged to the family for four generations and the family itself has always cultivated the vineyard. The approximate average age of the vines is 45 years.

Following a meticulous monitoring of the vineyard, the grapes are harvested at optimum maturity. The harvest is done manually by selecting healthy and ripe grapes and rejecting the bad and deteriorated. Once in the winery, the grapes are selected again on a conveyor belt.

Our Tasting

Visual : Bright ruby red.

Olfactory : Clean and complex on the nose, Harmony of fruit with notable hints of fine oak.

Gustatory : Well-structured on the palate, savory and balanced. The wine shows great character and has a long persistence. Complex retro nasal, elegant with notes of quality barrel wood.

Pairing : Accompanies perfectly with semi aged cheeses, red meat, roasts, stews and game.

SOLAR DE BECQUER GRAN RESERVA

Located on the south of Monte Yerga on the sun faced side of the slopes, the Cuesta de la Reina Estate commences at an altitude of 450 meters and ascends to 800 meters. The soils, clayey-calcareous, are very poor and with abundance of boulders.

The estate of 120 Hectares has belonged to the family for four generations and the family itself has always cultivated the vineyard. The approximate average age of the vines is 60 years.

Following a meticulous monitoring of the vineyard, the grapes are harvested at optimum maturity. The harvest is done manually by selecting healthy and ripe grapes and rejecting the bad and deteriorated. Once in the winery, the grapes are selected again on a conveyor belt.

Our Tasting

Visual : Bright ruby red.

Olfactory : Brick red deep covered.

Gustatory : Well structured, savory, ample and well balanced. Pleasant finish and harmonized flavors. Complex retronasal, in which we find balsamics and good oak. Finishes elegantly.

Pairing : Jamón Serrano and Ibérico, aged cheese, red meats, stews and roasts.

Godeval

BODEGAS

Godeval 2018-2019

Noble white wine of approximately 12.5 degrees of alcohol, monovarietal, in which the Godello variety concentrates its characteristics shaped by the Atlantic climate with continental influence and by the slate soil in which the vines are settled. It is a young and aromatic wine, of which you will always ask for another glass.

Our Tasting

Visual : Greenish yellow color with pearly reflections.

Olfactory : It has an excellent and pronounced aroma, it is intense, delicate, elegant and with hints of tree fruit.

Gustatory : On the palate it is light, smooth and tasty. Its acidic and sweet touches give it balance and make it a very personal wine, with a marked structure.

Pairing : This wine should be served at 6-8 ° Celsius. It combines perfectly with shellfish, fish, preserves, mushrooms and soft cheeses.

Godeval

BODEGAS

Godeval Cepas Vellas

Noble white wine of approximately 13 degrees of alcohol, monovarietal that evolves well in the bottle and improves with the passage of time. It comes from selected grapes from the winery's oldest vineyards and with a vinification process in the presence of its own lees for about 5 months in stainless steel tanks. A complete, full-bodied wine that surprises from the first moment and remains in the memory.

Our Tasting

Visual : Greenish yellow color with golden tones.

Olfactory : Aroma of medium intensity, clean, enveloping with hints of ripe fruit (apple, melon and pineapple) and fine field herbs (fennel and mint).

Gustatory : In the mouth it is especially pleasant, with a balance of sweet sensations that provide body and volume, acid flavors that give freshness, and highly complex mineral notes provided by the slate of the soil from; offering a set of long and pleasant sensations.

Pairing : This wine should be served at 8-10° centigrade. It harmonizes with shellfish, fish, game meats, mushrooms and creamy cheeses.

Godeval

BODEGAS

Godeval RE-VI-VAL

Bodegas Godeval presents this limited series of 6,600 bottles, the result of the selection of grapes from its emblematic "Pancho" vineyard, one of the oldest on the property, and marked by its slate soil and special microclimate, within the continentalized Atlantic climate that affects the Ourense region of Valdeorras.

This wine is a tribute to the REVIVAL Project (Restructuring Viñedos Valdeorras) that recovered the variety in the 70s. That inspiring work today encourages our goal of continuing to seek the greater expressiveness of Godello, resorting to an R&D project, on cryomaceration, Made in collaboration with EVEGA (Galician Viticulture and Oenology Station) and aged on lees.

Our Tasting

Visual : The color is dressed in yellow with many greenish reflections, friendly and fresh to the eye.

Olfactory : On the nose, its aromatic intensity and great personality stand out. In fruity aromas, citrus, lime, pink grapefruit and notes of herbaceous and citrus ginger stand out. In the background appears white fruit, water pear, exotic apple and hints of stone fruit such as peach. Also appear the vegetable memories of fennel, bay leaf and mint.

Gustatory : On the palate its intensity, persistence and balanced acidity certainly speak volumes. It is silky and enveloping with a great aromatic finish and a slight bitterness. Over the years it will offer a wide range of sensations.

Godeval

BODEGAS

Godeval 1986

Godeval 1986, a barrel fermented godello. The characteristics of the 2017 vintage, well-ripened grapes and excellent health, have determined the moment to opt for the vinification of a Godello wine fermented in a new 500-liter French oak barrel, which has subsequently been aged on its fine lees for 4 months.

The wooden barrel should not be considered only as a container, the most important thing is its contribution to the wine with positive characteristics. The wood chosen is a French oak, Quercus Petraea, of fine grade, with a high content of polyphenols and with a medium toast.

The result has been a powerful and well-structured wine, which will last very well over time and will give many satisfactions.

Our Tasting

Visual : At sight it has a crystalline, bright appearance, with a very vivid greenish-yellow color.

Olfactory : On the nose, primary aromas of pome fruits, ripe apple, pear, acerola are appreciated. Aromatic herbs from the field appear in depth, with hints of fennel, thyme, oregano and undergrowth. Very subtle and elegant aroma.

Gustatory : A vibrant mouth, with a fresh passage, emphasized by the character of the godello in its passage. With a balsamic, wide, tasty, glyceric aftertaste. Good structure and spaciousness. Final bitterness that lengthens it and contributes to the elegance as in other great wines. The wood did a great job without taking center stage.

Pairing : A very gastronomic wine that invites you to drink accompanied by simple, or elaborate and forceful dishes. It is recommended to serve at 9-12°C.

Medrano Irazu Young

Our harvest is made by hand between the end of September and the beginning of October. After an initial selection in the vineyard, the grapes are transported in 12 kg plastic boxes to the winery. Once there, we begin the selection process on the table, always choosing the grapes by size and weight to ensure the best grapes.

Finally, with the aging in French and American oak barrels not older than 5 years, we finish the elaboration providing that harmony, balance and expressiveness that we look for in all our wines.

Our Tasting

Visual : Violet color with blue hints that denote freshness and youth.

Olfactory : Intense and perfumed. First notes of carbonic maceration that give way to floral aromas accompanied by fruits of the forest.

Gustatory : Lively and tenacious with easy entry in the mouth. Freshly picked fruit flavours stand out.

Pairing : Perfect with appetizers, meat and barbecues.

Bobal Icon

With Bobal Icon we look to offer a wine different, harmonious and with personality that express the singularity of our 80 years bobal old vines, the microclimate and the privileged location of the vineyard.

Wine made from a selection of the best grapes from our old vines of Bobal. The wine was aged for 6 months in french oak barrels. Our grandparents planted vines of the variety bobal. Pine forest at that time covered much of the Manchuela. After 80 years, this extraordinary legacy offers us an excellent raw material for the production of quality wines.

Our Tasting

Visual : Intense ruby color.

Olfactory : Nose memories plum jam and cherry, with hints of spicy herbs and minerals.

Gustatory : In the mouth smooth and broad, with a soft acidity and aftertaste of sour cherry jam, plum and black currant.

Pairing: Manchegos cheeses, "atascaburras" and Lamb Stew.

Finca Los Halcones Ltd. Ed. 2017

This wine is the result of a selection of 60 new French oak barrels, where only 16,600 bottles are made. This wine can create sediments because it has not been clarified or filtered; so as not to lose your identity.

Our Tasting

Visual : Intense garnet color.

Olfactory : Aromas of blackberries, toffee and black pepper.

Gustatory : In the mouth it is fleshy, round and persistent.

Pairing: More subtle and elaborate game dishes and stews. Dare to try them with high purity cocoa chocolate

Finca Los Halcones Viognier

Finca Los Halcones made with the best Viognier grapes of the 2019 vintage, fermented and aged in French oak Foudres.

Finca Los Halcones viognier de Vega Tolosa is a unique wine in Spain. Complex, elegant and surprising. Pioneers in Spain in the plantation, production and commercialization of this variety of French origin (Rhône Valley), certified as organic and vegan; under the DOP Manchuela.

100% with Viognier grape. It is a wine in continuous evolution, determined by the particularity of each vintage that requires a specific elaboration and aging in foudres in each vintage.

Our Tasting

Visual : White wine of great intensity and unique character. Clean color with golden tones and bright flashes.

Olfactory : Memories of peach and apricot, mineral touches and honeysuckle.

Gustatory : In the mouth it is tasty, fresh and lively. Fruity, powerful entry with pleasant notes of toast and vanilla. Produces salivation and expressive endings.
